

THE GOLDEN RETRIEVER CLUB OF VICTORIA INC

JAMES NEWTON HANDLING WORKSHOPS

The Golden retriever Club of Victoria Inc is offering an excellent opportunity for exhibitors to take part in Show Handling Workshops to be conducted by Mr James Newton of the United Kingdom.

The workshops will be held from 8 August to 17 August 2019 at either KCC Park or Bulla Exhibition Centre.

James has run very successful show handling workshops throughout the UK. He has run breed specific workshops for clubs including Golden Retrievers, Weimaraners, Hungarian Vizslas and numerous all breeds workshops. The feedback from these workshops, from both experienced and novice handlers alike, has been excellent. He has also run Junior Handler workshops and camps, as well as judging junior handlers across the UK.

Each workshop will accommodate 12 people and dogs for a full day with unlimited observers. All workshops will be All Breeds, unless a breed club would like to book an entire session (limited to 12 people with dogs plus any observers). Junior Handlers may attend any workshops – James will include help for any juniors that attend.

The cost will be \$100 person with their dog, \$50 per observer and \$50 per junior handler. Each workshop will be a full day with a question and answer session at the end. A light cold lunch will be provided with tea and coffee included.

There will be the opportunity for some private handling workshops, if required. Cost will be advised.

As numbers will be limited for people with their dogs, it will be necessary to book early to avoid missing out. "First in best dressed."

Bookings can be made through Easy Dog Entries.
