Mr. Per Lundström (Sweden)

I live with my wife and two children in a house on the countryside close to Stockholm, the capital of Sweden. We have four dogs and two cats at home.

I was born in a home with dogs, my dad used to have Great Danes and I think my fascination for the Irish Wolfhound is out of his interest in the GD and other big breeds. We also had Kleine Munsterländer at home. But as a child you want to do your own thing...

My first litter was born in 1989 with the prefix Pre-Eminence's, at that time I also bred miniature wired haired Dachshunds. I have also been co-breeder of 15 Afghan litter where several of them has been very successful both in field and in the show ring.

After a car accident 1997 I'm only breeding the IW's. I was unable to walk for about one year and it took me some time to get going again and 1999 I was well enough to have a litter of IW puppies again, under the new prefix Greirish. So far I have bred, handled and owned more than 70 champions, several of them with titles also in the other Nordic countries. I have also bred top winning LC dogs.

I have held several positions within the Swedish Kennel Club. To name a few; Chairman of Halland kennel Club, Chairman of the Swedish Sighthound Club and delegate on Committee against doping.

I have also given seminars in confirmation and arranged some seminars for Sighthounds and breed seminars for Afghans and Irish Wolfhound. I was one of the organizers for the Afghan Hound World congress 2008.

Below is some examples of shows of importance which I have judged over the years;

2012 Pharaoh Hound National Specialty at Skokloster Summer Show

2013 I.W. Club Show Ireland

2013 Northern California I.W. Club Show
